Foreword

*N*OW the spirit of care-free gaiety comes in our halls, as we present our circus theme. With the world comparatively quiet, we no longer must keep such an avid eye on battle-fronts and the serious phases of life. We do realize, of course, that we must always defend our freedom, but this year part of our attention is centered on the bright happy life of the circus. Come, join us!

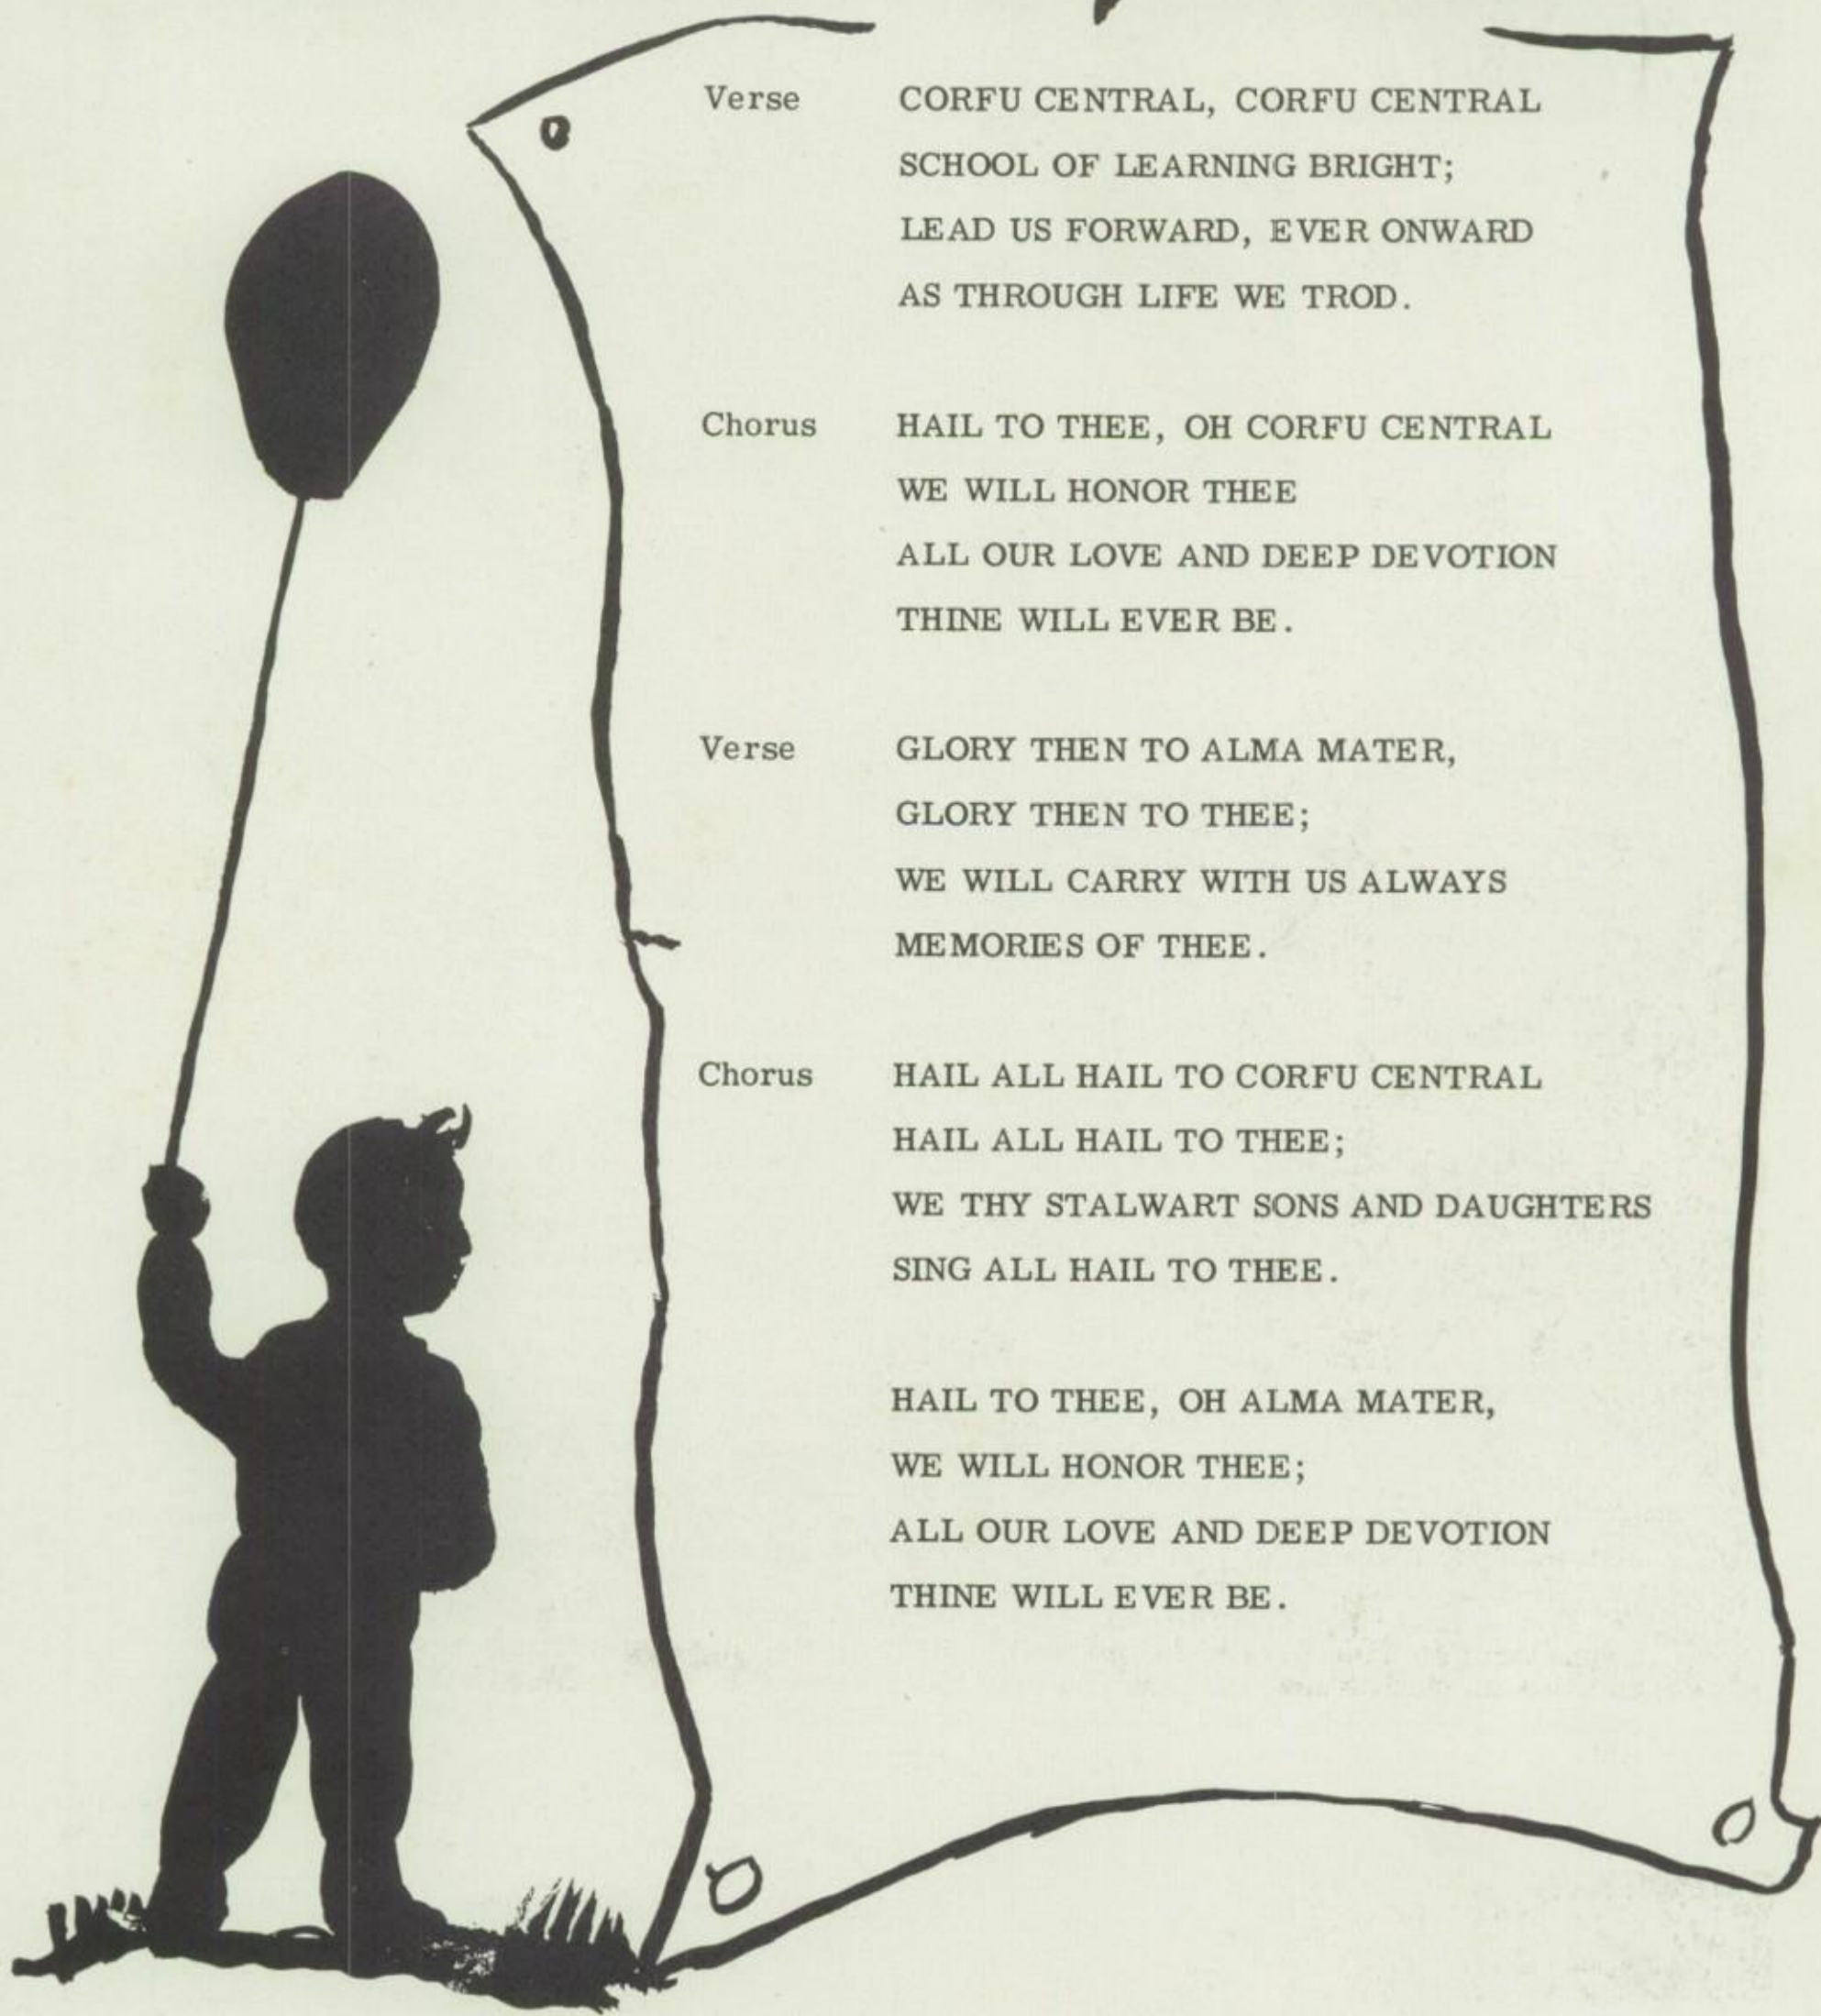

MR. CLIFFORD H. MANTOR

THE Senior Class of 1954, hereby dedicates this yearbook to Mr. Clifford H. Mantor in gratitude and deep appreciation for his untiring devotion, complete understanding, and incomparable guidance. Words can never express how much the past two years with him have meant to each and every one of us.

Principal's

Message

Our Principal - MR. L. D. WOOD

*A*S a student nears the end of high school he may well ask himself "What have I got out of school?" If you can count only so many courses passed for a diploma, you have profited only in part for there have been, along the way, many opportunities from which come the by-products of going to school.

It is true that school is primarily for teaching the common skills which everyone will use in some measure no matter where he lives. These are usually called "the three R's." Living in today's world has amply shown that to these should be added some acquaintance with other subjects such as art, music in the grades and high school and vocational subjects in the high school. Equally important the idea of a sound mind in a sound body persists in all school curriculums. So we have physical education.

Aside from the three R's and these formal studies, it will be a great addition to your assets if you have developed two more R's. I refer to a sense of responsibility and respect. You may wonder what can this have to do with your future. Let me assure you it can have a great deal to do with it. The pupil who has not learned to be responsible in doing his school work on time, and done well, the pupil who has treated lightly his responsibility for being in regular attendance at school, that pupil will try to carry the same attitude with him into adult life. He will learn the hard way that it does not work. The same is true of the matter of respect--respect for authority, for law, for accepted custom. The pupil who, in his school life, has not developed these assets may find it will spell lack of success in a material way sooner or later. Those who enter military service are apt to acquire this if they do not already possess it. School teachers and officials know this. There is seldom a week that they are not asked to recommend a former pupil. Is he trustworthy? Is he industrious? Is he cooperative with and loyal to supervisors and colleagues? What can you say of his regularity of attendance? His punctuality? These are among the many questions and types of information which college and prospective employers wish to know. The answers to these questions are found in your record which you have made.

The school has tried to see that you have acquired skills and information. It is hoped that you have developed, as well, some of the characteristics I have mentioned because no matter how skillful you may be or how much knowledge you possess, more is needed. That will be found, I hope, in the attitudes you have formed during your school life.

Sincerely,

Lisle D. Wood, Principal

THE Corfu P.T.A. strives - "to bring into closer relation the home and the school; that parents and teachers may cooperate intelligently in the training of the child..." - These words from the objectives of the P.T.A. describe the major aim of the Corfu P.T.A. Class History

*A*FTER four years of toil and pleasure, the time has come for us to leave Corfu High. We are now stepping into a new future facing more and greater responsibilities. We always will be able to look back with pleasant memories to all the wonderful times we had together during our high school career.

In September 1950, our first task as Freshman was to elect our class officers. We elected June Richley, President; Robert Brady, Vice-President; Shirley Turton, Secretary and June Nachtrieb, Treasurer.

The highlights of the year was the Freshman Sophomore Dance with music furnished by Genesee Playboys. We made a sizable profit of \$48.00.

In our Sophomore year we were joined by 25 members from East Pembroke, which increased our class to 55. Our officers were Frank Schwertoffer, President; Virginia Gerrard, Vice-President; June Richley, Secretary; and Marilyn Colby, Treasurer.

Our Treasury increased when we made a profit of \$42.00 at our Freshman Sophomore Dance. The music was furnished by Wyoming Woodchoppers.

Halfway up the ladder we are now upperclassmen. We began in September by electing the following officers: June Richley, President; David Childs, Vice-President; Agnes Fitzgerald, Secretary; and Ruth Farrington, Treasurer.

A year full of fun and excitement, our first successful event was the Junior Square Dance which boosted the treasury again. In the spring we joined the Seniors to present the Spring Ball in which we neither lost nor made money.

One more step and we are now Seniors. We started our busy last year by electing the following officers to lead our class. Marek Kolkowicz, President; Barbara Smart, Vice-President; Virginia Gerrard, Secretary; and Edward Happ, Treasurer.

Our first big activity was the magazine campaign. We are very proud of the new record we topped by selling \$2552.50. We received a beautiful plaque for our efforts. Paul Starkweather was campaign manager and Wallace Smith, his assistant. Arlene Colby and Virginia Gerrard were team captains. The next big event was the selection of our class rings. In October we held our Senior Square Dance which was a big success, we made a profit of \$135.00. In November we presented a three act comedy "Cheaper By The Dozen" directed by Miss Vant. Again we are looking forward to the Junior-Senior Ball in the spring. In Mr. Carmody's history class this year we published a high school handbook to help Freshman and new students become better acquainted with our school and its government.

As we, the class of 1954 leave Corfu High to start a new future, we want to wish the class of 1955 all the luck and success in its Senior year and in its endeavor to carry out all the responsibilities we are leaving behind us.

CORFU Central's defending champions opened their 1953 six-man grid campaigns with a 15-0 white-washing of Holley. The first score came in a Beaumont to Bates pass. Beaumont drop-kicked the extra point. A TD by Feitshans and a Beaumont to Schwerthoffer pass clinched the game.

With three touchdowns scored by Bruce Brade, one by Jim Feitshans, and a dropkick added by Beaumont, the Corfu Green Dragons won a 32-16 victory over Elba in a second of a series of League Leads.

Corfu scored numerous TD's over Pavilion as Fran Beaumont passed to Feitshans for one, and flipped an ariel to Bates for another. A Bruce Brade to Jerry Beaumont pass accounted for another while Szadek went through for a fourth. An extra point came in from a Fran Beaumont to Jerry Beaumont pass to wind up with a 25-6 victory.

The undefeated Green Dragons kept their perfect string going with a 40-12 romp over Barker. The initial score came when Marek Kolkowicz pounced on a Barker fumble in the end zone. The three pass touchdowns came on aerials from Brade to Fran Beaumont and from Beaumont to Happ and Jim Feitshans. Feitshans added a TD on an end run and Bruce Brade picked up a six-pointer by skirting end. Beaumont dropkicked an extra two points.

Coach Kip Mantor's classy Corfu squad rode roughshod over Lyndonville 45-12 to remain undefeated. Four of the seven touchdowns came on runs by Jim Feitshans, Bruce Brade, Frank Szadek and Fran Beaumont. Two pass plays from Brade to Beaumont and from Beaumont and Doug Bates contributed to the score.

Corfu Central's six-man football team closed its undefeated season with 15 straight wins since 1951 under the tutorship of Coach Kip Mantor by registering a 31-0 victory over Alexander in the Genesee-Orleans League Game. Fran Beaumont passes to Frank Schwerthoffer and Ed Happ for two TD's while Jim Feitshans Marek Kolkowicz, and Bruce Brade scored the other Corfu Touchdowns.

Good-By

*I*T is with the greatest appreciation and satisfaction that I thank all those who have helped in making this yearbook a success. May I especially thank the yearbook staff, the faculty, our patrons and all the others who were so helpful.

Indeed, I shall never forget all the hard work and fun we have had in putting this yearbook together. The cooperation with which we worked is a fine example of our American way of working together.

In closing, may I wish Barbara Kelsey and next year's yearbook staff the greatest amount of cooperation and success.

Thank you once again.
Your 1954 Crest Hi Editor,
Paul Starkweather
